CASE NUMBER: 95-064

Dear Executive Director:

House Enterprises, Inc., d/b/a The Perfect T.V. Company ("HE") moves the Public Service Commission of Kentucky for leave to intervene in Case No. 95-064. HE leases real property and owns a 420 foot guyed metal tower within a 500 foot radius of the proposed 300 foot guyed metal tower. HE believes that the close proximity of the proposed tower to its tower poses a great risk of physical damage for both towers. HE also fears that the antennas and appurtenances on the proposed tower will interfere with the signals being received and transmitted by HE and its sublessees.

For these reasons, HE respectfully requests permission to intervene in Case No. 95-064.

Sincerely,
